Section 7. Trespass Prohibited

(a) Trespass on Lands of the Tribe is hereby prohibited, and the General Council hereby declares that persons committing a trespass threaten the peace, health, safety, environment and political integrity and economic security of the Tribe. Any person who commits trespass to the Lands of the Tribe shall be subject to the remedies, as set forth in this Trespass Ordinance. Issuance of a citation and/or a Tribal Court order does not preclude prosecution of the trespass under applicable Federal or State law.

(b) For purposes of this Trespass Ordinance, a trespass is a civil infraction. Trespass is defined as every wrongful entry on the Lands of the Tribe. Any person causing a trespass is guilty of a violation of this Trespass Ordinance. Wrongful entry onto the Lands of the Tribe includes, but is not limited to:

(1) Entry on the Lands of the Tribe (or a portion thereof) in violation of a notice posted on the premises, or in violation of any exclusion order, notice, warning or protest given verbally or in writing by an Authorized Officer.

(2) Failure to depart from the Lands of the Tribe (or portion thereof) if requested by an Authorized Officer.

(3) Occupying or using the Lands of the Tribe without consent.

(4) Intentionally and without authorization accessing, altering, deleting, damaging, destroying, or disrupting any computer, computer system, computer network, computer program, or data.

Trespass does not include entry or other actions done or maintained under the express authority of a lease, permit or license, duly approved or issued, by the General Council or Tribal Council (as applicable).

Section 8. Citation for Trespass

(a) Every Authorized Officer is vested with the authority to issue citations for violations of this Trespass Ordinance committed in their presence or where probable cause exists that a violation of this Trespass Ordinance occurred. The citation shall be issued as soon as possible to the date and time of the violation.

(b) The citation shall be signed by the Authorized Officer and served on all persons alleged responsible for a violation of this Trespass Ordinance. The citation must include:

(1) A statement: (i) describing the conduct of the person that violated this Trespass Ordinance, (ii) listing the fine imposed for the violation of this Trespass Ordinance, and (ii) indicating that the person may be noticed by separate letter from the Tribal Court that the fine amount has increased in the event of a determination by the Authorized Officer that the person has previous violations of this Trespass Ordinance.

(2) A statement that the Tribe considers the citation a final determination of the person's guilt and liability to pay the fine printed on the citation, unless the person contests the citation in the Tribal Court.

(3) A statement listing the ways the person may respond to the citation.

(4) A statement that failure to respond to the citation or failure to appear at a requested hearing will result in a default judgment against the person in the amount of the citation plus a sanction imposed by the Tribal Court for the person's failure to appear.

(c) A person committing a violation of this Trespass Ordinance shall be subject to a civil fine, as set forth in the attached Schedule of Fines, which may be amended from time to time by the Tribal Council. A person shall be subject to an increased fine if the person is found to have violated any provisions of this Trespass Ordinance more than once within a twelve-month period, up to the maximum amount established by the Constitution.

Section 9. Service of Citation

A citation may be served in any of the following ways:

(a) By personal service on the person determined responsible for the violation, a copy of the citation signed by the person shall suffice as proof of service. Service is deemed effective on the date of the personal service.

(b) By mailing the notice by certified mail, return receipt requested, to the responsible person at the person's last known address. Service is deemed effective when the certified mail is either delivered or delivery is attempted. If the certified mail receipt is return unsigned, then services shall be deemed effective on the date three (3) days following deposit in the mail.

(c) By posting the notice in a conspicuous place on the offending property; provided, however, that service by posting shall only be used when the Authorized Officer cannot determine the last known address of the person.

(d) A copy of the citation, and if applicable, the proof of service shall be filed with the Tribal Court within five (5) business days of issuance, excluding weekends and holidays.

Section 10. Responding to a Citation

A person shall respond to the citation by either paying the fine within thirty (30) days of the date on which the notice was issued, or by requesting a hearing to contest the citation.

(a) If the person requests a hearing to contest the citation, the person must submit a written request for a hearing to the Tribal Court within fifteen (15) days of the date on which the citation was served.

(b) If known by the Authorized Officer at the time of issuance of the citation, the hearing date and time must be included on the citation. If unknown at the time of the issuance of the citation, and upon receipt by the Tribal Court of a written request for a hearing, the Tribal Court will notify the person of the time, place and date for the hearing in accordance with the Tribal Court rules.

Section 11. Failure to Respond

If the person fails to pay the fine or request a hearing within the time set forth above, the Tribe (or its designee) will refer the outstanding fine to a collection agency, and/or petition the Tribal Court to enter a default judgement against the person and impose additional sanctions for failure to respond.

Section 12. Burden of Proof

(a) The burden of proving that a civil infraction under this Trespass Ordinance has been committed shall be on the Tribe.

(a) In addition to being subject to removal from the property, or being subject to a temporary or permanent injunction or restraining order, in any case where a person has been found to have committed a trespass and a fine has been assessed, the person has thirty (30) days to pay the civil fine. Parent(s), guardians, or any adult responsible for the care of a Minor are liable for the civil fine of a minor.

(b) If the person has not paid the civil fine within the thirty (30) day period, the Tribal Council may take any and all actions necessary to collect the civil fine, including but not limited to the following:

- (1) Refer the civil fine to a collection agency or other collection institution;
- (2) Order an employer on the Lands of the Tribe to garnish up to twenty-five (25%) of the violator's wages; and
- (3) Request the Tribal Court to issue a garnishment order against an employer or any other entity that provides the violator wages or money.

Section 14. Authority to Remove

Any person trespassing may be forcibly removed and ejected from Tribal Land by a Tribal Security Officer, Tribal law enforcement officer, or, with respect to the Jamul Casino property, a Jamul Casino Security Officer, or a state of federal law enforcement official.

- (1) temporary or permanent injunction;
- (2) a restraining order; or
- (3) an order of removal; or
- (4) money damages, including the costs of the suit and attorneys' fees.

(b) Any person who violates any provision of this Trespass Ordinance shall be strictly liable for all damages resulting from such violation, in addition to any civil fine set out in Section 8(c). If liability is established and the Tribal Court orders restoration of the area affected, the Tribal Court shall make provision to ensure that restoration is accomplished within a reasonable time and at the sole cost of the violator.
